L:\Share\HSCD\Removal Program\Dimock Residential Site

Then go to the map folder for the concentrations found in the vicinity of the home wells, and the supporting data is in folders titled: Gesford 2h/7H and t Alleged releases Vol 1 report folders that was summarized in the map. We also have a paper copy of the Hibbard 2H that goes with the map, but the boxes say Hubbard by mistake- to be corrected next week!

Karen D. Johnson, Chief
Ground Water & Enforcement Branch
